

Important Notice – temporary reduction of services

Due to the Coronavirus pandemic (covid-19) and travel restrictions, it is with a heavy heart that we will be temporarily reducing some of our services at the Malvina House Hotel from Tuesday 12th May, until further notice. We did not take this decision lightly, but we believe this is in the best interests for all of us in light of these unprecedented times.

Take Away Food Service

We are committed to continuing in helping our local community and easing things in whatever way possible. So, we will continue offering a takeaway menu, the service will be available 5 days a week Tuesday – Saturday with immediate effect. Please keep updated with our services, times, menus and specials via our Facebook page @malvinahousehotel

Rooms

We have rooms ready and available, but with limited services until further notice. For example: A box breakfast for takeaway or room service, room service lunch & dinner from 12noon-7pm.

General enquires and future reservations can still be made via info@malvinahousehotel.com and we aim to answer as soon as we are able.

We would like to take this opportunity to thank our wonderful team, who have worked tirelessly to make sure that our guests and friends feel safe and looked after. We cannot praise their positive, can-do attitude highly enough.

On behalf of all of our team, I would like to thank you all for such tremendous support during this challenging time, stay well. We all look forward to getting back to full service in the near future and welcome you all back into our establishment.

Please stay up to date with us on our website and social media platforms.

Thanks & Best wishes,

Carl Stroud

General Manager
